

Self-supported study from home

On the school website (www.thehayfieldschool.co.uk) you can find subject specific resources and tasks. Year 10 and Year 11 have also purchased or been given GCSE revision guides or workbooks. The GCSE Hub is accessible through the website too. A superb website for all ages and subjects is www.bbc.co.uk/bitesize. Examination Board websites also have resources, such as, past papers and mark schemes easily available. YouTube is also a great resource. Simply type in the topic/theme.

Subject	Useful websites for Year 10 and Year 11 students for self-supported study
Art	YouTube: type in 'GCSE Art' – there are many grade 9 - 1 tutorials to help refine and enhance portfolios.
Architecture	www.goconstruct.org for useful subject information. Online programmes e.g. George Clarke's Ugly House to Lovely House or Amazing Spaces; Kevin McCloud's Grand Designs.
Business Studies	www.businessed.co.uk and www.Tutor2u.co.uk are useful.
Computer Science	www.smartrevise.online and www.sololearn.com for specific tasks and useful subject information.
Construction	www.goconstruct.org for useful subject information or www.hse.gov.uk for health and safety laws and signage.
Design Technology	www.technologystudent.com for useful subject information.
Drama	YouTube: type in 'GCSE Drama revision' for numerous revision presentations, overviews and videos.
English	YouTube: type in "Mr Salles" or "Mr Bruff" for online tutorials and animations that cover specific poems and how to write model answers.
Geography	www.senecalearning.com is full of extensive revision material, quizzes and tasks. www.internetgeography.co.uk is also recommended.
Graphics and 3D Design	https://www.superprof.co.uk/blog/a-guide-to-the-gcse-art-sketchbook/ will give advice and guidance on refining portfolios.
History	www.johndclare.net and www.schoolhistory.co.uk are useful. YouTube: type in any historical topic for documentaries, footage, revision overviews and information.
Languages	An online app called gojimo.com can be downloaded to test vocabulary and grammar. www.vocabexpress.com is also a site we use in school.
Mathematics	www.hegartymaths.com is the website that we encourage use of in school.
Music	www.mymusiconline.co.uk , www.musictheory.net or www.musicmark.org.uk for resources and links to other revision sites.
Photography	www.photopedagogy.com has resources that may aid you with concepts. YouTube: type in 'How to get a 9 in GCSE Photography' for portfolio ideas.
Physical Education	YouTube: type in 'GCSE PE revision' for a huge number of course related revision videos or type in 'GCSE PE revision acronyms'.
Science	www.senecalearning.com is the most useful site for tutorials, tests and practice questions.
Sociology	YouTube: type in 'GCSE Sociology revision' or 'GCSE Sociology Miss Harper' for videos re-capping key topics such as the family, crime and deviance and research methods.
