

## **Students: Self-Isolation**

**Please follow normal 'reporting school absence procedures.'**

**The school will not advise parents/carers on whether to self-isolate**

**Parents/carers must follow Public Health England/NHS guidelines**

**<https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-advice/>**

**<https://publichealthmatters.blog.gov.uk/2020/02/20/what-is-self-isolation-and-why-is-it-important/>**

### **Providing work for students who are in self-isolation**

Staff are going about their normal daily routines of planning and delivering their normal lessons (up to 22 hours a week, covering for any absent staff and attending meetings after school). Outside their normal planning, they have been asked to prioritise preparing learning activities for all students to be uploaded onto our website.

Students can access the learning activities through the school website or following this link:

**<https://www.thehayfieldschool.co.uk/page/?title=Learning+Activities&pid=128>**

With that in mind we have advised staff not to prioritise individual work for students who are self-isolating. We appreciate your patience and understanding in this matter. Please use the school website or following link to access a list of the best websites that students can use for their continued learning if they are self-isolating.

### **Student access to support from staff if there is an enforced closure**

The school will take advice from the DFE should there be an enforced closure. Subject Teacher email addresses can be found on the school website. Priority will be given to responding to emails from Year 11 students. Year 11 may email work to their teachers.
